

Message to the 2014 All Ateneo Alumni Convention

August 22, 2014

Dear Alumni,

2014 is a year marked by the 200th Anniversary of the Restoration of the Society of Jesus. The call to every member of the worldwide community of Ateneans is to "ite inflammata omnia ... Go, Set the World on Fire."

The invitation is to enkindle a deeper sense of Gratitude, Renewal, and Mission: to grow in gratitude to the Giver for the many personal gifts and talents which will become constant sources of an inner renewal firing our sense of mission to become ourselves givers.

As Ateneans, we seek to care deeply for all persons, to live as men and women giving our best in service of the greater community, to set the world on fire.

Yours in Christ,

Rev. Fr. Robert C. Yap, SJ
President
Xavier University
